#### Search Notes

Examiner Minnifield,

Here are the results of the search you requested.

Please feel free to contact me if you have any questions.

To: Subject: STIC-Biotech/ChemLib sequence search

10/002784

#### STIC

Please do a commercial and interference sequence search on SEQ ID NO:16 and 27 of this application.

Please provide a paper copy of all results.

Thanks,
Minnifield

C'Species: Streptococcus pyogenes

C'Species: Streptococcus pyogenes

C'Species: Streptococcus pyogenes

A'Variety: strain MGASZ62 isolate California

C'Date: 29-Jan-1993 #sequence_revision 29-Jan-1993 #text_change 09-Jul-2004

C'Accession: S18789

Pred. No. is the number of results predicted by chance to have a score greater than or equal to the score of the result being printed, and is derived by analysis of the total score distribution.
